Cleaning ladies, you fight our fight

<http://stokokkino.gr>

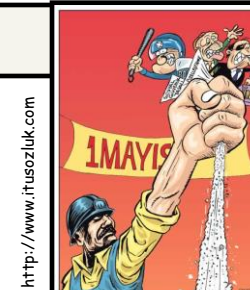

Suspended from Ministry of Finance in October and demonstrating every day ever since, with the supreme

court no longer by their side and recently beaten up by MAT riot police, with law suits to MAT and appeals to the European Court of Justice, these women keep on fighting for what is common sense: a basic income to feed their families. They fight for all of us. [Read. Video. More. Interview. Listen. Donate \(in GR\)](#)
